Revolutionary Breakthrough Experiences

Extinguish a 12" flame in your mouth to breakthrough from Procrastination to Motivation.

This breakthrough is great for overcoming procrastination, *which is just fear isn't it?*

Break an arrow with your neck, breaking through fears to "Go For It". Often people don't take action because they think it's going to be difficult or painful. This experience is focused on follow through. It is said that fortune is in the follow up!

This is the perfect experience to get a sales team up and running!

Getting clear on your vision and then clear on what is stopping you and then busting through that story by breaking a 1" board with your hand. For people, organizations, and teams sometimes the breakthrough is simply getting clear on where we are going and then busting through the obstacles that slow us down.

EXTINGUISH
A FLAME IN
YOUR MOUTH

BREAK AN ARROW
WITH YOUR NECK

In a world of distractions, presence will produce extraordinary results. Walking on broken glass is an intense experience that requires extreme presence to be successful. *After walking across broken glass, your team will be more empowered than ever before shattering their previous limits.*

Make your event a Breakthrough that lasts!!
